STREET DIRECTORY
1953

NOTE—The asterisk (*) following a householder's name indicates that we have received information that the house is owned by some member of the family. As this is based on information received during the canvass, and as the publisher cannot guarantee the correctness of the information furnished nor the complete absence of mistakes, no responsibility for errors can be assumed.

The letters (M T) after the street names signify Mountain Top.
Streets in Hamilton Beach are indicated as (H Beach).

The profession, business, etc., of individuals and firms are only given at their respective places of business. To find the occupation of householders, refer to the Alphabetical list of Names.

A small bell (🔔) placed after the house number in the Street Directory denotes a telephone in the residence.
